

### **Policy on Bulletin Boards in the University of Wisconsin – Milwaukee Student Union**

Use of general bulletin boards in public areas within the UW-Milwaukee Student Union is limited to Registered Student Organizations (hereafter RSOs) and, University Departments, and Student Association (hereafter SA) election candidates registered with the Independent Election Commission (hereafter IEC) and individuals and/or RSOs acting on their behalf, except for individual sales of personal property by students.

Anything which is posted is a poster: this includes flyers, handbills, or anything which is attached to the bulletin board.

1. Posters may not exceed 14"x22". Posters must indicate organization sponsorship, except those registered SA candidates and individuals acting on their behalf.
2. Notice advertising the sale of personal property may not exceed 8 ½"x11", except on those bulletin boards designed specifically for that purpose, where the size is limited to 3"x5".
3. When posting a poster the following rules must be observed:
  - a. A poster may be attached to a bulletin board only by masking tape, staples, or thumb tacks.
  - b. Only one poster concerning one topic or event may be placed on any one bulletin board.
  - c. The removal or obscuring of any other active posters is prohibited.
  - d. The erection, posting, or attaching of any signs, posters, pictures, etc. in or on the Union is prohibited except on regular bulletin boards. Special permission may be obtained by submitting your request to the Union Manager or their designee.
  - e. RSOs may use any regular bulletin board within the Union that is not designated as being limited to the use of a particular RSO, UWM Administration, Department, and Resource Center within the Union, or the Union Policy Board (hereafter UPB).
- I. Any violation of these rules by a student or RSO may be evaluated by the UPB when allocating Office Space. Any violations regarding SA elections materials will be reported to the SA IEC.
