# LGBTQIA+ SUPPORT GROUP

Co-sponsored by the LGBTQ+ Resource Center, this therapy group focuses on supporting positive mental health and social connectedness among students who identify as part of the LGBTQIA+ community,

Members can expect to have a space to discuss topics such as relationships, family dynamics, "coming out" and "being out," the impact homophobia, transphobia, and other systems of oppression, rejection, and discrimination have on mental health, as well as navigating multiple identities.

*Tuesdays 3 - 4:30 pm  
Student Health and Wellness Center 8th Floor*
