

Surviving to Thriving:

Therapy Group for Survivors of Sexual & Relationship Violence

WHO CAN JOIN:

This therapy group is for students that have experienced any form of intimate partner and/or sexual violence (which includes sexual harassment, sexual assault, relationship violence, non-consensual sexual contact, childhood sexual abuse, and stalking).

WHAT TO EXPECT:

Group members can expect to receive and offer support to one another while addressing common concerns related to experiences of violence. Group members are encouraged to take time to process experiences as they move through their healing process.
